

NOW A BOSCH PREFERRED DISTRIBUTOR!

Be Ready With Bosch PRO+GUARD

OSHA began to enforce new silica dust regulations in September of 2017

Bosch PRO+GUARD™ solutions provide the highest level of protection against the harmful effects of dust inhalation. All of our systems meet governmental compliance without compromising performance. When you see the PRO+GUARD logo, you know we've got your back.

VAC090AH 9-Gallon Dust Extractor with Auto Filter Clean and HEPA Filter
